

End of Year Sale!

General Packaging Equipment Co. is offering an **End of Year Sale** running from **now through December 31st, 2024.**

We are offering a 10% discount on all “Wear Parts” orders over \$3,000 (excluding forming parts) and 10% off service scheduled for the first quarter of 2025 (labor charges only).

Why Preventative Maintenance Matters:

Investing in durable wear parts is essential for extending your equipment's lifespan and optimizing performance.

Consistently replacing wear parts can help avoid unexpected failures, minimize downtime, and lead to long-term savings. By planning ahead and keeping key parts in stock, you can maintain uninterrupted production and keep operations running smoothly throughout 2025.
